

This challenge is meant to help expand our horizons through reading. There is so much world out there to see. As travel has been limited this year we want to help people see the world through the pages of a book.

If you are having trouble finding a book for a category visit milltownpubliclibrary.org and look at the programming section to find the Fall reading challenge pages that have suggestions for most categories.

You can sign up at the library and pick up a paper logging form or use the beanstack app to sign up and log your books.

When you sign up you will receive a new special edition Milltown Public Library Book Bag.

For each 5 books you read you will reach a new prize level.

5 books - 5x7 notebook and fancy pen

10 books - durable reusable book mark

15 books - Coffee or Cocoa and a snack

All 20 books - Keyring or pendant

You will be entered in a drawing for a prize basket at the end of the challenge. Each person who registers will receive an entry; each time you reach another 5 book level you will receive an additional entry in the drawing.

The drawing winner will be announced on Monday, January 4th.
